Adv. Pro. No. 21-\_\_\_\_\_

THOSE PARTIES LISTED ON  
APPENDIX A TO COMPLAINT  
and JOHN AND JANE DOES 1-1000,

Defendants.

**DEBTOR'S COMPLAINT FOR DECLARATORY  
AND INJUNCTIVE RELIEF (I) DECLARING THAT THE AUTOMATIC  
STAY APPLIES TO CERTAIN ACTIONS AGAINST NON-DEBTORS OR,  
(II) PRELIMINARILY ENJOINING SUCH ACTIONS AND (III) GRANTING  
A TEMPORARY RESTRAINING ORDER PENDING A FINAL HEARING**

Plaintiff LTL Management LLC, a North Carolina limited liability company and the debtor in the above-captioned chapter 11 case (“LTL” or the “Debtor”), incorporates the statements contained in (a) the *Supplemental Declaration of John K. Kim in Support of Debtor’s Complaint for Declaratory and Injunctive Relief and Related Motions* (the “Supplemental Kim Declaration”), filed contemporaneously herewith, and (b) the *Declaration of John K. Kim in*

<sup>1</sup> The last four digits of the Debtor's taxpayer identification number are 6622. The Debtor's address is 501 George Street, New Brunswick, New Jersey 08933.

*Support of First Day Pleadings* [Dkt. 5] (the “First Day Declaration”), filed in the main docket for the Debtor’s chapter 11 case (the “Chapter 11 Case”), and further states as follows:

### **INTRODUCTION**

1. The Debtor commenced this Chapter 11 Case to equitably and permanently resolve all current and future talc-related claims against it through the consummation of a plan of reorganization that includes the establishment of a trust. The relief sought by this adversary proceeding is critical to the Debtor’s ability to achieve that purpose. Without the requested declaration or injunction, claimants would be permitted to (and in fact, appear to be eager to) litigate, in other forums, the exact same talc claims that are being asserted against the Debtor in this Chapter 11 Case.

2. In this regard, the Debtor seeks a declaration that section 362(a) of the Bankruptcy Code prohibits the commencement or continuation of any action by the defendants in this adversary proceeding (collectively, the “Defendants”)<sup>2</sup> seeking to hold (a) the former Johnson & Johnson Consumer Inc. (“Old JJCI”); (b) the Debtor’s non-debtor affiliates set forth on Appendix B hereto (the “Non-Debtor Affiliates”) including, without limitation, Johnson & Johnson Consumer Inc., a New Jersey company (“New JJCI”) and Johnson & Johnson (“J&J”); (c) third party retailers who sold Old JJCI’s talc-containing products (the “Retailers”) and other third parties whom the Debtor has indemnified contractually (the “Indemnified Parties”), set

<sup>2</sup> The Defendants are all plaintiffs or potential plaintiffs in lawsuits that seek to hold, or may seek to hold, one or more of the Protected Parties liable for the Debtor Talc Claims, as such terms are defined herein. These Defendants, with the exception of the John and Jane Doe Defendants, are listed in Appendix A to this Complaint. Appendix A identifies the civil action number (where available) for each lawsuit and the law firms representing each of the Defendants on account of their talc claims. The Debtor reserves the right to supplement, amend or otherwise modify Appendix A. For the avoidance of doubt, the inclusion of a talc-related claim on Appendix A is not an admission that such Defendant holds a currently pending claim against either the Debtor or the Protected Parties (as defined herein).

forth on Appendix B hereto; and (d) the insurance entities set forth on Appendix B hereto, who have issued insurance policies to which the Debtor has access for coverage for talc-related liabilities (the “Insurers” and, collectively with Old JJCI, the Non-Debtor Affiliates, the Retailers and the Indemnified Parties, the “Protected Parties”)<sup>3</sup> liable for any Debtor Talc Claims. As used herein, “Debtor Talc Claims” means, collectively, any talc-related claims against the Debtor, including all claims relating in any way to talc or talc containing materials that were formerly asserted (or that could have been asserted) against Old JJCI<sup>4</sup> on any theory of liability (whether direct, derivative, joint and several, successor liability, vicarious liability, fraudulent or voidable transfer or conveyance, alter ego or otherwise). The Debtor also requests a preliminary injunction under section 105(a) of Bankruptcy Code. The injunction will enjoin the prosecution of actions outside of this Chapter 11 Case on account of the same talc claims that exist against the Debtor in this Chapter 11 Case. The Debtor also seeks a temporary restraining order, entered on limited notice, to immediately effectuate the requested declaratory and/or injunctive relief pending a final hearing.

3. The relief requested in this adversary proceeding is necessary and appropriate because the Debtor is responsible for all liability arising from the Debtor Talc Claims as a result of an internal corporate restructuring that was completed on October 12, 2021 (the “2021 Corporate Restructuring”). No Protected Party was allocated or assumed liability for any Debtor Talc Claims as part of the 2021 Corporate Restructuring. Following the 2021

---

<sup>3</sup> The Protected Parties, with the exception of Old JJCI, are listed on Appendix B to this Complaint. The Debtor reserves the right to seek to supplement, amend or otherwise modify the list of Protected Parties, including, in particular, to request that additional parties be included as Protected Parties.

<sup>4</sup> For the avoidance of doubt, Debtor Talc Claims include all talc personal injury claims and other talc-related claims allocated to the Debtor from Old JJCI in the documents implementing the 2021 Corporate Restructuring (as defined below). The Debtor Talc Claims do not include talc-related claims for which the exclusive remedy is provided under workers’ compensation statutes and similar laws.

Corporate Restructuring and the commencement of this Chapter 11 Case, claimants immediately challenged the application of the automatic stay and threatened to pursue Debtor Talc Claims against the Protected Parties. Continued prosecution of Debtor Talc Claims against the Protected Parties outside of this Court would undermine the Debtor's Chapter 11 Case and the protections of the automatic stay imposed by section 362(a) of the Bankruptcy Code.

4. Contemporaneous with the filing of this Complaint, the Debtor filed a motion (the "Motion") seeking the same relief requested in this Complaint and setting forth additional grounds why the relief requested herein is warranted.<sup>5</sup>

### **JURISDICTION AND VENUE**

5. This Court has subject matter jurisdiction over this adversary proceeding pursuant to 28 U.S.C. §§ 157 and 1334. This adversary proceeding is a core proceeding pursuant to 28 U.S.C. § 157(b)(2). Pursuant to Rule 7008 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), the Debtor consents to the entry of final orders or a final judgment by this Court in this adversary proceeding.

6. Venue is proper in this District pursuant to 28 U.S.C. § 1409.

### **BASIS FOR RELIEF**

7. The statutory bases for the relief requested herein are sections 105(a) and 362(a) of the Bankruptcy Code.

8. The Debtor has commenced this adversary proceeding pursuant to Bankruptcy Rules 7001(7), 7001(9) and 7065.

9. The Debtor has made no prior request for the relief requested herein to this or any other court.

---

<sup>5</sup> The Debtor fully incorporates the arguments and authority contained in the Motion as if fully set forth herein.

## **GENERAL BACKGROUND**

10. On October 14, 2021 (the “Petition Date”), the Debtor commenced the Chapter 11 Case by filing a voluntary petition for relief under chapter 11 of the Bankruptcy Code. The Debtor is continuing in possession of its property and is managing its business, as a debtor in possession, pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

## **THE PARTIES**

11. The Debtor is a North Carolina limited liability company.

12. Each named Defendant in Appendix A is a plaintiff in a pending talc personal injury action against the Debtor and/or one or more of the Protected Parties to recover on account of Debtor Talc Claims. Absent the relief requested herein and in the Motion, the Debtor anticipates that the filing of the Chapter 11 Case will lead Defendants to pursue Debtor Talc Claims against the Protected Parties in an effort to avoid the automatic stay.

13. Each of Defendants John and Jane Does 1-1000 is a prospective plaintiff who may, at any time while the Chapter 11 Case is pending, seek to commence an action to pursue a Debtor Talc Claim against one or more of the Protected Parties.

14. The Protected Parties are (a) Old JJCI, (b) the Non-Debtor Affiliates (each of which is an “affiliate” of the Debtor, as such term is defined in section 101(2) of the Bankruptcy Code), (c) the Retailers and Indemnified Parties and (d) the Insurers.

## **FACTUAL BACKGROUND**

### ***The 2021 Corporate Restructuring***

15. On October 12, 2021, Old JJCI implemented the 2021 Corporate Restructuring. First Day Decl. ¶ 16. The 2021 Corporate Restructuring was implemented to enable the Debtor to fully resolve talc-related claims through a chapter 11 reorganization without subjecting the entire Old JJCI enterprise to a bankruptcy proceeding. Id. ¶ 21.

16. As a result of the 2021 Corporate Restructuring, which is described in greater detail in the First Day Declaration:

- a. Old JJCI ceased to exist;
- b. The Debtor and New JJCI were formed;
- c. The Debtor received certain of Old JJCI's assets, as set forth below, and became solely responsible for certain of its liabilities, including the Debtor Talc Claims;
- d. New JJCI was allocated all other assets of Old JJCI and became solely responsible for all other liabilities of Old JJCI;
- e. A funding agreement (the "Funding Agreement") was established between New JJCI, J&J and the Debtor for the purpose of ensuring that the Debtor has at least the same, if not greater, ability to pay the Debtor Talc Claims as Old JJCI had before the 2021 Corporate Restructuring;<sup>6</sup> and
- f. The Debtor agreed to indemnify New JJCI and its affiliates for any losses it might suffer related to the Debtor Talc Claims.

Id. ¶¶ 22-23.

17. At the time of the 2021 Corporate Restructuring, the Debtor received the following assets:

- a. Old JJCI's rights and interests as payee under the Funding Agreement (as discussed below, J&J and New JJCI have agreed to advance \$2 billion under the Funding Agreement into a qualified settlement trust);

---

<sup>6</sup> Without any corresponding repayment obligation, the Funding Agreement obligates New JJCI and J&J, on a joint and several basis, to provide funding, up to the full value of New JJCI, to pay for costs and expenses of the Debtor incurred in the normal course of its business (a) at any time when there is no bankruptcy case and (b) during the pendency of any chapter 11 case, including the costs of administering the chapter 11 case, in both situations to the extent that any cash distributions received by the Debtor from Royalty A&M are insufficient to pay such costs and expenses. First Day Decl. ¶ 27. In addition, the Funding Agreement requires New JJCI and J&J to, up to the full value of New JJCI, fund amounts necessary (a) to satisfy the Debtor's talc-related liabilities at any time when there is no bankruptcy case and (b) in the event of a chapter 11 filing, to provide the funding for a trust, in both situations to the extent that any cash distributions received by the Debtor from Royalty A&M are insufficient to pay such costs and expenses and further, in the case of the funding of a trust, the Debtor's other assets are insufficient to provide that funding. Id.

- b. A bank account and approximately \$6 million in cash;
- c. All contracts of Old JJCI related to its talc-related litigation, including settlement agreements, interests in qualified settlement trusts, indemnity rights, insurance coverage rights, service contracts and engagement and retention contracts, if any;
- d. All equity interests in Royalty A&M LLC (“Royalty A&M”), which owns a portfolio of royalty revenue streams, including royalty revenue streams based on third-party sales of certain products, a business that is projected to generate approximately \$50 million in revenue per year over the next five years and has the ability to borrow up to \$50 million from J&J on terms consistent to those provided to other J&J affiliates;
- e. Causes of action that relate to the assets and liabilities allocated to the Debtor;
- f. Privileges that relate to the assets and liabilities allocated to the Debtor; and
- g. Records that relate to the assets and liabilities allocated to the Debtor.

Id. ¶¶ 24, 26, 30.

18. In total, the Debtor’s value is approximately \$373.1 million, without taking into account the Funding Agreement with New JJCI and J&J. Id. ¶ 26. In addition, J&J and New JJCI have committed to fund, as early as January 31, 2022, a North Carolina trust that will constitute a “qualified settlement fund” with an aggregate amount of \$2 billion for the payment of current and future talc-related claims asserted against or related to the Debtor. Id. ¶ 28.

### ***The Debtor Talc Claims***

19. Cosmetic talc litigation against the Debtor has focused primarily on JOHNSON’S® Baby Powder (hereinafter, “Johnson’s Baby Powder”) as a purported cause of ovarian cancer and mesothelioma. Id. ¶ 32. For over 125 years Johnson’s Baby Powder has been used by hundreds of millions of consumers worldwide. Id.

20. J&J, a New Jersey company incorporated in 1887, first began selling Johnson's Baby Powder in 1894, launching its baby-care line of products. Id. ¶ 10. In 1972, J&J established a formal operating division for its baby products business, which included Johnson's Baby Powder. Id. In 1979, J&J transferred all its assets and liabilities associated with the baby products division to Old JJCI. Id. Following this transaction, J&J no longer manufactured or sold baby products, including Johnson's Baby Powder and, instead, Old JJCI manufactured and sold Johnson's Baby Powder. Id. ¶¶ 10, 33. Old JJCI is responsible for all claims alleging that Johnson's Baby Powder and other talc-containing products cause cancer or other disease. Id. ¶¶ 9-15.

21. On May 19, 2020, Old JJCI announced it would permanently discontinue its line of talc-based Johnson's Baby Powder in the U.S. and Canada. Id. The decision was based on business considerations, including lack of sales due to misinformation about the safety of Old JJCI's talc-based Johnson's Baby Powder. Id. ¶ 33. As set forth in the Debtor's *Information Brief* filed on the Petition Date [Dkt. 3], the Debtor stands behind the safety of Johnson's Baby Powder and asserts, based on decades of internal and third party studies and testing, that it is not a cause of either ovarian cancer or mesothelioma.

22. As of the Petition Date, there were approximately 38,000 ovarian cancer cases pending against the Debtor, including approximately 35,000 cases pending in a federal multi-district litigation in New Jersey, and approximately 3,300 cases in multiple state court jurisdictions across the country. First Day Decl. ¶ 42. In addition to the ovarian claims, more than 430 mesothelioma cases were pending against the Debtor on the Petition Date. These claims, like the ovarian cancer claims, spanned the U.S. with cases pending in New Jersey, California, Illinois, Missouri, New York, and Ohio. Id. ¶ 44.

23. Even though J&J has not manufactured or sold talc-containing products since prior to 1979, in virtually every lawsuit asserting a Debtor Talc Claim, the Debtor Talc Claim is asserted against both Old JJCI and J&J. In many jurisdictions, the plaintiffs seek to hold Old JJCI and J&J jointly and severally liable for such talc claims. The plaintiffs rarely, if ever, attempt to differentiate between talc-containing products sold by J&J and talc-containing products sold by Old JJCI. Supp. Kim Decl. ¶ 6.

### ***The Debtor's Insurance Coverage***

24. The Debtor believes that it has rights to insurance coverage for its Debtor Talc Claims. First Day Decl. ¶ 46. In particular, the Debtor has access to primary and excess liability insurance policies that cover, among other things, defense and/or indemnity costs related to talc bodily injury claims, subject to the terms of the policies.<sup>7</sup> Id.

25. Aetna Casualty and Surety Company ("Travelers")<sup>8</sup> issued primary general liability policies to J&J (which policies cover the Debtor) for the period 1957 to 1980 (the "Travelers Policies"). Id. ¶ 47. The combined limits of the Travelers Policies (not accounting for deductibles or erosion/exhaustion of limits) total more than \$214 million per occurrence and \$263 million in the aggregate. Id. The deductibles increase over time, starting at a minimal level and increasing to \$5 million per occurrence by 1977. Id. The limits of the Travelers Policies before 1973 are not eroded by defense costs; under later policies, defense costs erode limits. Id. From 1957 to 1985, Travelers also provided excess liability coverage to

---

<sup>7</sup> The policies that cover the Debtor were issued to J&J as the named insured. Those policies cover the period when Old JJCI was operated as a business unit of J&J, as well as during the period when Old JJCI was a subsidiary of J&J.

<sup>8</sup> Aetna Casualty and Surety Company is now part of Travelers Insurance Company.

J&J that covers the Debtor. The combined aggregate limits of those policies total approximately \$563 million. Id. ¶ 48.

26. From 1973 to 1985, a variety of other insurers issued excess policies that cover the Debtor. Id. ¶ 49. Those insurers include subsidiaries or affiliates of the following companies: American International Group, Allstate Insurance Company, The Hartford, Home Insurance Company, Nationwide Indemnity Company and North River Insurance Company. Id. The combined limits of those excess policies total more than \$1.09 billion in the aggregate. Id. Certain of the insurers that issued the above-described excess policies are insolvent (including, in particular, Home Insurance Company). Id.

27. From 1981 to 1985, American Motorists Insurance Company (“AMICO”) issued primary and excess coverage that covers the Debtor (the “AMICO Policies”). Id. ¶ 50. AMICO is insolvent, having been placed into liquidation in 2013. Id. The Debtor currently believes that the applicable limits of the AMICO Policies were exhausted by payments made by AMICO on claims while it was still solvent. Id.

28. From 1973 through 1985, Middlesex Insurance Company (“Middlesex”), a captive that is a wholly-owned subsidiary of J&J, issued policies that cover J&J and the Debtor. Id. ¶ 51. Those policies insured J&J and Old JJCI for large deductibles under the Travelers Policies and the AMICO Policies. Id. From 1977 to 1985, Middlesex also issued excess insurance policies that cover J&J and Old JJCI. Id. As described in the First Day Declaration, there is a dispute between J&J, the Debtor, and Middlesex, on the one hand, and the third-party insurers (*i.e.*, insurers other than the Middlesex captive), on the other hand, regarding the applicability, extent of coverage and limits of the Middlesex policies, in particular with respect to the post-1985 Middlesex policies. Id.

29. In total, the limits of solvent primary and excess insurance policies issued to J&J by third-party insurers that potentially cover talc-related liabilities are in excess of \$1.95 billion. Id. ¶ 52.

30. J&J and Old JJCI have tendered talc-related claims to the third-party insurers. To date, none of those insurers has acknowledged its coverage obligations, defended Old JJCI or J&J, paid the costs of defense, or indemnified J&J or Old JJCI for settlements or judgments. Instead, the third-party insurers have asserted various coverage defenses. Id. ¶ 53.

31. In May 2019, certain of the Debtor's third-party insurers filed a lawsuit against Old JJCI, J&J and Middlesex in the Superior Court of Middlesex County (Docket No. MID-L-003563-19) (the "New Jersey Coverage Action"), seeking a declaratory judgment regarding the parties' respective obligations under the plaintiff insurers' policies. The insurer plaintiffs filed a Second Amended Complaint on June 22, 2020. On July 31, 2020, J&J, Old JJCI, and Middlesex filed answers to the Second Amended Complaint, and asserted counterclaims and cross-claims against certain defendants. Travelers and certain other insurers filed cross-claims against J&J, Old JJCI, and Middlesex to which J&J, Old JJCI, and Middlesex responded later in 2020. The New Jersey Coverage Action remains pending. Id. at 54.

***The Debtor's Retailers and Other Indemnified Parties***

32. Old JJCI had relationships with various Retailers, who sold Old JJCI's talc-containing products. Some of the Retailers have contractual indemnities with the Debtor related to the sale of Old JJCI's talc-containing products. Supp. Kim Decl. ¶ 8. In addition, to the extent a Retailer is held liable for a claim arising out of the products manufactured and/or sold by Old JJCI, and not by independent actions of the Retailers (i.e., such that those claims are Debtor Talc Claims), the Debtor likely has an obligation to indemnify the Retailers under certain

state laws. Id. Claims asserted against the Retailers for their sale of Old JJCI products are virtually identical to the claims asserted against Old JJCI. Id.

33. Old JJCI would periodically accept from the Retailers tenders of talc-related claims related to the sale of its products. Id. ¶ 9. When a Retailer was sued on a Debtor Talc Claim, the Retailer would notify Old JJCI by submitting a tender request. Id. Old JJCI would then determine whether to accept the Retailer's tender of its defense and indemnify the Retailer pursuant to a tender agreement (each, a "Tender Agreement"). Since 2018, Old JJCI has indemnified and agreed to assume the defense of nearly 600 talc-related claims against the Retailers pursuant to Tender Agreements. Of those tendered claims, about 450 were pending as of the Petition Date. Id.

34. In addition, Old JJCI agreed to indemnify certain other transaction counterparties for liability arising from Debtor Talc Claims, including Pharma Tech Industries, Inc. and Valeant Pharmaceuticals International, Inc. (now known as Bausch Health Companies Inc.). Id. ¶ 11. Claims against the Indemnified Parties are generally identical to and based on the claims against Old JJCI.

### ***The Debtor's Decision to File for Chapter 11 Reorganization***

35. As of the Petition Date, tens of thousands of talc-related lawsuits are pending in jurisdictions throughout the United States. See First Day Decl. ¶ 42. Absent its bankruptcy filing, the Debtor expects that thousands of additional ovarian cancer and mesothelioma cases would have been filed against it for decades to come. Id. ¶ 45.

36. As noted, prior to the Petition Date, Old JJCI and J&J asserted that there was no scientific or other proof that Johnson's Baby Powder either contained asbestos or was a cause of ovarian cancer or mesothelioma. As a result, Old JJCI and J&J had various successes in cosmetic talc litigation, including, among others things, dismissing roughly 1,300 ovarian cancer

and over 250 mesothelioma cases without payment, and achieving 16 key defense verdicts. Id.

¶ 38. Old JJCI also succeeded in obtaining reversal of many plaintiff verdicts on appeal. Id.

Despite these results, and the lack of proof that its product was unsafe, Old JJCI was also subject to a number of plaintiff verdicts involving unpredictable and wildly divergent compensatory and punitive damages awards. Id. In addition, prior to the commencement of this case, Old JJCI had incurred nearly \$1 billion in defending a tidal wave of personal-injury lawsuits relating to alleged talc exposure, nearly all of which was spent in only the last five years. Id. ¶ 40. In the months prior to the Petition Date, Old JJCI was paying anywhere from \$10 million to \$20 million monthly in defense costs. Id. And, cosmetic talc litigation against the Debtor was anticipated to grow for decades more, as were the extraordinary costs of resolving tens of thousands of expected claims. Id. ¶ 41.

37. The status quo was untenable given the cost, burden, uncertainty and anticipated duration of the cosmetic talc litigation. The only available option to appropriately assess, resolve, and administer the current and future talc-related claims in an efficient and equitable manner is the Chapter 11 Case. Id. ¶ 58.

### **THE NEED FOR THE REQUESTED RELIEF**

38. The Debtor commenced the Chapter 11 Case to equitably and permanently resolve all current and future talc-related claims against it through the consummation of a plan of reorganization that includes the establishment of a trust. The declaratory and injunctive relief sought by this adversary proceeding (and the related Motion) is critical to the Debtor's ability to achieve that purpose.

39. Following the Petition Date, the Debtor filed notices of suggestion of bankruptcy (the "Bankruptcy Notices") on the dockets of pending talc-related cases against the Debtor and/or J&J (Old JJCI ceased to exist as result of the 2021 Corporate Restructuring). The

Bankruptcy Notices informed the applicable courts and the parties about the commencement of the Chapter 11 Case and the application of the automatic stay to the assertion of the Debtor Talc Claims against the Protected Parties. In an apparent coordinated effort to resist the automatic stay, counsel representing thousands of talc-related plaintiffs then informed the relevant courts and the Debtor in writing that they challenge the application of the automatic stay and intend to pursue the Debtor Talc Claims against the Protected Parties.

40. As demonstrated by the threatened violations of the automatic stay, and in the absence of the relief requested by this Complaint and the Motion, the Debtor believes that:

- a. Many Defendants who already have asserted Debtor Talc Claims against the Protected Parties will contend that the automatic stay applies only to the Debtor and will attempt to continue prosecuting such claims against Old JJCI, New JJCI, J&J and the other Protected Parties outside of the Chapter 11 Case;
- b. Many Defendants who have sued only the Debtor will seek to amend their complaints to name one or more of the Protected Parties and prosecute Debtor Talc Claims against those Protected Parties outside of the Chapter 11 Case;
- c. Any Defendants who have pending motions to amend their complaints to add certain of the Protected Parties will continue to pursue those amendments in an effort to proceed with litigation against the Protected Parties outside of the Chapter 11 Case; and
- d. Defendants John and Jane Does 1-1000 will file Debtor Talc Claims against the Protected Parties, particularly Old JJCI and New JJCI, but not the Debtor.

See Supp. Kim. Decl. ¶ 15.

41. All Debtor Talc Claims asserted against the Protected Parties allegedly arose from the manufacture and/or sale of talc products by Old JJCI or J&J.<sup>9</sup> First Day Decl.

¶¶ 31-32. As discussed in the First Day Declaration, in 1979 Old JJCI assumed all if J&J's

---

<sup>9</sup> Certain talc claimants have asserted claims against the Retailers on account of their previous sale of talc-containing products manufactured by Old JJCI.

liabilities associated with baby products, including Johnson's Baby Powder. Id. ¶ 10. Now, the Debtor is responsible for all of these potential liabilities. Id. ¶ 24. Accordingly, all such claims are either claims against the Debtor or claims that are tantamount to claims against the Debtor. Permitting the Defendants to continue or commence the Debtor Talc Claims against the Protected Parties while the Debtor simultaneously works to reorganize by resolving the same claims in the Chapter 11 Case pursuant to the Bankruptcy Code would (a) defeat the purpose of the Chapter 11 Case, (b) result in irreparable harm to the Debtor's estate, (c) undermine and circumvent the purposes and spirit of the automatic stay and (d) divert the Debtor from its reorganization efforts.

#### **NATURE OF RELIEF REQUESTED**

42. To guard against the severe and irreparable harm that the Debtor would suffer in the event that Defendants are permitted to continue or commence Debtor Talc Claims against the Protected Parties (on any theory of liability) during the Debtor's Chapter 11 Case, the Debtor seeks: (a) a declaration that, while the Chapter 11 Case remains pending, the commencement or continued prosecution of any Debtor Talc Claims against any Protected Party constitutes a violation of the automatic stay imposed by section 362 of the Bankruptcy Code; or (b) a preliminary injunction prohibiting the Defendants from commencing or continuing to prosecute any Debtor Talc Claims against any Protected Party while the Chapter 11 Case remains pending.<sup>10</sup> The Debtor also seeks a temporary restraining order, issued on limited

---

<sup>10</sup> This injunction would include, without limitation: (a) the pursuit of discovery from the Protected Parties or their officers, directors, employees or agents; (b) the enforcement of any discovery order against the Protected Parties; (c) further motions practice related to the foregoing; and (d) any collection activity on account of a Debtor Talc Claim against any Protected Party or its officers, directors, employees or agents or its respective assets.

notice, that prohibits the Defendants from filing or continuing to prosecute any Debtor Talc Claims against any Protected Party pending a final hearing on the merits.

**Count I: Declaratory Relief**  
**Pursuant to Section 362 of the Bankruptcy Code**

43. The Debtor incorporates by reference paragraphs 1 through 42 as if fully set forth herein.

44. Section 362(a)(1) of the Bankruptcy Code prohibits the “commencement or continuation . . . of a judicial . . . proceeding against the debtor that was or could have been commenced before the commencement of the case under this title, or to recover a claim against the debtor that arose before the commencement of the case under this title.”

11 U.S.C. § 362(a)(1).

45. The continuation and commencement of Debtor Talc Claims against Old JJCI, which are unequivocally efforts to recover on claims against the Debtor, are automatically stayed. As described above, Old JJCI no longer exists, and the Debtor is responsible for the Debtor Talc Claims. Thus, the commencement or continuation of the Debtor Talc Claims against Old JJCI can have only one purpose: the ultimate liquidation and recovery of claims against the Debtor. And, because the Debtor Talc Claims allege liabilities arising out of Old JJCI’s actions years before the Petition Date, such claims are expressly enjoined by the automatic stay.

46. Likewise, the continuation and commencement of Debtor Talc Claims against J&J are automatically stayed. All of J&J’s liabilities associated with Johnson’s Baby Powder and other talc-containing products were transferred to Old JJCI when it assumed those liabilities in 1979. Thus, the pursuit of the Debtor Talc Claims against J&J is an effort to liquidate and recover claims against the Debtor.

47. Additionally, Fourth Circuit precedent recognizes that the automatic stay imposed by section 362(a)(1) extends of its own force to enjoin actions against parties who share such an identity of interests with the debtor in respect to those actions that the debtor is, in effect, the real-party defendant. Here, the Protected Parties share such an identity of interests with the Debtor that the Debtor, in effect, would be the real-party defendant in Debtor Talc Claims brought against Protected Parties. Litigating, settling or attempting to establish the value of the Debtor Talc Claims against the Protected Parties would liquidate claims against the Debtor, including by triggering existing indemnification and similar obligations of the Debtor to such entities. Such litigation also creates risks of binding the Debtor through *res judicata* and collateral estoppel, and creating an evidentiary record that prejudices the Debtor. Moreover, all liability for the Debtor Talc Claims was exclusively allocated to the Debtor through the 2021 Corporate Restructuring. Because the Debtor is the real-party defendant in any suit seeking to liquidate and recover on account of a Debtor Talc Claim, section 362(a)(1) stays such actions.

48. Section 362(a)(3) of the Bankruptcy Code operates automatically to stay, among other actions, “the commencement or continuation . . . of a . . . proceeding against the debtor . . . to obtain possession of . . . or to exercise control over property of the estate.” 11 U.S.C. § 362(a)(3). The section 362(a)(3) stay applies here in two ways.

49. First, section 362(a)(3) bars Defendants from bringing actions against the Insurers and J&J based on the Debtor Talc Claims because the right to insurance coverage is property of the estate and such actions could result in depletion of an estate asset. Here, insurance is potentially available to both the Debtor and J&J under various insurance policies for talc-related claims. If a Debtor Talc Claim is prosecuted against J&J, J&J may seek coverage under these shared insurance policies to satisfy any judgment, thereby reducing the coverage

the assets of the Debtor's estate and aid in the formulation and confirmation of a chapter 11 plan that maximizes recovery to all of the Debtor's creditors.<sup>11</sup>

54. Pursuant to sections 105(a) and 362 of the Bankruptcy Code, this Court may enjoin creditor actions against third parties where necessary to prevent an adverse impact on the Debtor's estate or to assure the orderly administration of the Debtor's chapter 11 estate and proceedings, including by fully effectuating the protections of the automatic stay. An injunction is appropriate in this case to prohibit the Defendants from filing or continuing to prosecute any Debtor Talc Claims against the Protected Parties while the Chapter 11 Case remains pending. Further, such an injunction is critical to the Debtor's ability to achieve the purposes for which it commenced its reorganization case.

55. In the Fourth Circuit, courts considering the propriety of an injunction under section 105(a) apply the traditional four-factor test for injunctions, as tailored to the unique circumstances of bankruptcy. In bankruptcy, these four factors are: (a) the debtor's reasonable likelihood of successful reorganization; (b) the imminent risk of irreparable harm to the debtor's estate in the absence of an injunction; (c) the balance of harms between the debtor and its creditors and (d) whether the public interest weighs in favor of an injunction.

56. While courts typically consider all four factors, the Fourth Circuit has made very clear that the critical, if not decisive, issue in whether a section 105(a) injunction is warranted is whether and to what extent the non-debtor litigation interferes with the debtor's reorganization efforts. Here, the interference with the Debtor's reorganization is sufficiently

---

<sup>11</sup> Section 105(a) of the Bankruptcy Code provides, in relevant part, that the Court "may issue any order, process, or judgment that is necessary or appropriate to carry out the provisions of [the Bankruptcy Code]." 11 U.S.C. § 105(a).

decisive to grant the injunction without applying the four-factor test. In any case, as set forth below, the injunction is appropriate under the four-factor test as well.

57. The Debtor is likely to prevail on the merits of its Complaint under Fourth Circuit standards. First, the Debtor's prospects for a successful reorganization are strong. The Debtor has entered bankruptcy in good faith and in an effort to permanently, fully and equitably resolve current and future Debtor Talc Claims through the establishment of a trust. The Debtor also has sufficient assets to fund the Chapter 11 Case and a trust in the amount required by a confirmed plan of reorganization.

58. Further, the failure to grant the requested injunction would irreparably harm the Debtor's reorganization efforts and defeat the purpose of the Chapter 11 Case. Absent the requested injunction, the Defendants would seek to liquidate the exact same talc claims that exist against the Debtor in this Chapter 11 Case through piecemeal litigation against the Protected Parties outside of the Chapter 11 Case in the tort system. Permitting claimants to seek to indirectly establish claims against the Debtor through actions against third parties with indemnity rights would prevent the Debtor from establishing a trust to consolidate and collectively resolve all talc claims against the Debtor—current and future—through the Chapter 11 Case. This non-bankruptcy litigation, if not stayed, would undermine (or eliminate) the parties' and the Court's ability to achieve confirmation of a plan that treats all talc claimants fairly and equitably.

59. An additional risk of continued litigation of Debtor Talc Claims against the Protected Parties is that the resolution of claims and issues in such litigation could bind the Debtor under the doctrines of collateral estoppel and *res judicata*. Litigation of the Debtor Talc Claims against the Protected Parties also creates a substantial risk that talc claimants will use

statements, testimony and other evidence generated in those proceedings to try to establish the Debtor Talc Claims against the Debtor. Supp. Kim Decl. ¶ 17. To avoid these types of risks, the Debtor would be compelled to actively participate in litigation of the Debtor Talc Claims in the tort system. This would undermine the automatic stay.

60. The balance of the harms weighs heavily in favor of an injunction because prosecution of the Debtor Talc Claims against the Protected Parties in the tort system would cause irreparable harm to the Debtor and its estate. Prosecution of Debtor Talc Claims outside of this Court may liquidate claims against the Debtor and bind the Debtor with respect to rulings, judgments and evidentiary records established in those cases. It would also compromise the protections of the automatic stay. In short, the entire purpose of the Chapter 11 Case would be thwarted. Failure to issue an injunction also may prejudice certain Defendants by leading to different recoveries among similarly situated claimants depending on whether they recover through the tort system or a future, court-approved trust.

61. On the other hand, the harm, if any, that issuing an injunction might cause the Defendants is minimal, to the extent it would exist at all. The issuance of an injunction will not permanently deprive the Defendants of an opportunity to pursue the Debtor Talc Claims. Instead, it will merely halt those alleged claims, giving the Debtor time to reach consensus on a plan of reorganization. Moreover, mere delay to the Defendants does not outweigh the irreparable harm to the debtor's estate.

62. The Defendants also cannot establish harm based on the speculation that an injunction could affect the ultimate payment for their claims. In total, the Debtor's value is approximately \$373.1 million, without taking into account insurance rights and the Funding Agreement with New JJCI and J&J. First Day Decl. ¶ 26. Among other things, the Funding

Agreement will ensure funding for a trust in the amount required by a confirmed plan of reorganization, to the extent the Debtor's other assets (including insurance) are insufficient to fund the trust. In addition, New JJCI and J&J have agreed to deposit an aggregate amount of \$2 billion into a "qualified settlement fund" for the payment of current and future talc-related claims asserted against or related to the Debtor.

63. Finally, the public interest weighs in favor of an injunction. There is a strong public interest in a successful chapter 11 reorganization, and injunctive relief is critical to the Debtor's reorganization efforts. It also is in the public interest to promote justice in the court system by resolving all Debtor Talc Claims in an equitable manner. This result is not possible if piecemeal litigation of the Debtor Talc Claims in the tort system circumvents the bankruptcy process. For that reason, a successful reorganization under chapter 11—and an injunction that makes such reorganization possible—particularly serve the public interest in the talc context because they allow for the resolution of thousands of claims in a uniform and equitable manner.

64. Accordingly, an injunction barring the Defendants from commencing or continuing any Debtor Talc Claims against one or more Protected Parties while the Chapter 11 Case remains pending is appropriate and essential to the orderly and effective administration of the Debtor's estate. Good cause exists for the entry of injunctive relief pursuant to sections 105(a) and 362(a) of the Bankruptcy Code and Bankruptcy Rule 7065.

WHEREFORE, the Debtor respectfully requests that this Court: (a) after notice and a hearing, issue a preliminary injunction pursuant to sections 105 and 362 of the Bankruptcy Code prohibiting the filing or continued prosecution of Debtor Talc Claims against the Protected

Parties while the Chapter 11 Case remains pending and (b) grant such other and further relief as the Court may deem proper.

**Count III: Application for Temporary Restraining Order**

65. The Debtor incorporates by reference paragraphs 1 through 64 as if fully set forth herein.

66. To preserve the effectiveness of the automatic stay until this Court has the opportunity to hold a final hearing on the Debtor's request for declaratory and/or injunctive relief, and to prevent the foregoing harmful effects upon the Debtor's estate, the Debtor requests that, with limited notice, the Court issue a temporary restraining order prohibiting and enjoining the Defendants from filing or continuing to prosecute Debtor Talc Claims against the Protected Parties until this Court has issued a final ruling on the merits.

67. The issuance of a temporary restraining order is warranted for the reasons already set forth herein and as more fully set forth in the Motion. In addition, it is appropriate for the Court to grant the temporary restraining order with limited notice to the Defendants. The Debtor cannot realistically provide effective notice to the many named plaintiffs who have sued or may sue the Protected Parties in the short period of time in which this Court's action is needed. Further, Defendants John and Jane Does 1-1000 are putative plaintiffs for future talc actions against the Protected Parties and are unknown at this time.

WHEREFORE, the Debtor respectfully requests that this Court enter a temporary restraining order: (a) prohibiting the Defendants from filing or continuing to prosecute any Debtor Talc Claims against the Protected Parties until the Court decides whether to grant the Debtor's request in this Complaint and the Motion for declaratory and/or injunctive relief; and (b) granting such other and further relief as the Court may deem just and proper.
